Sorry to hear it, but sounds like it was handled appropriately.

Ps. You scared me with the second sentence. At first I thought there was bloodshed involved.

FYI. Nancy DeNardi and Heather DeNardi were terminated today. Nancy punched out her daughter Heather on Friday well after Heather left. Ginny picked up on it, and when she questioned Nancy, Nancy lied to her. Only when Ginny pushed her with the facts, did Nancy later admit the lie. Nancy had a supervisory role in the billing dept. Ginny needs to trust her employees and especially her deputies. Ginny and I discussed it Friday, then agreed to sleep on it over the weekend. Joe and I discussed it today also. The severe consequence of termination was based on the lying even more than the stealing. Sorry for unwelcome news.

Gary – Just to confirm, pls we've terminated Nancy DeNardi and Heather DeNardi. Pls take away access to all systems. Ginny will talk to you about forwarding Nancy's email and any other transition matters. Thanks. Mark
